What a wonderful memory of your mom. I remember the early pictures of her and your family the most. When my mom went to work she brought my lunch to your house so I'd come over from school and have lunch with all of you. She always had a dessert just baked (probably blonde brownies) and always shared with me. As we left to go back to school she kissed all of you and me too. Always felt welcome at your house and I have such fond memories. Would have loved to see all of you. We had our Green Bay's here for the weekend. You were in my thoughts.

She will be missed. Loved her laugh.

“ *My mother MaryAnn Adamski used to meet with some friends from the Court house for lunch and after my Mom passed away- your Mom invited me to join them for lunch when I could. Your Mom was such a sweetheart and I think that she mentioned that she also had a daughter named Jill. May she rest in eternal peace.*

“ *My sympathies to the family, especially you Jill. I will always remember her fondly. Her warm and welcoming ways when I'd come to visit. The twinkle in her eyes when she laughed. I'm sorry to have been away during her funeral. I know you are grieving and I'm sending you hugs. Mary Ann Wilkinson*
