“ Pat Warner's Family,

*We were fortunate to have Pat as our dear friend and neighbor in Ocala, Florida. When we first moved next to her we told everybody, "We have the cutest little neighbor lady." We were always laughing and having a good time together. Through the years, we were able to personally get to know some of her family when they visited her in Ocala. We also enjoyed hearing about her interesting life, some of her tough times, as well as all the happy times. She knew all of our family and friends, and they loved her as well. In fact, we really felt as though she was part of our family. We developed a very deep friendship with her.*

*We loved including her in different activities we would do, such as meals together, short trips, family gatherings, etc. She was always fun to be with. Hardly more than 2 or 3 days would pass that we didn't talk or get together in some way. We dearly loved her and miss her.*
