“ My dearest cousin, I so wanted to see you again. My fondest memory of you was when we would go to Grandpa's cottage in Portage. The boys always had to help with the landscaping while us girls did, well not much at all. One time you, Mike and I dont remember who else were playing with a BB gun I was hiding behind a big tree trying to stay out of the line of fire but you shot the gun and a BB grazed my wrist. You were so upset and your concern touched me very deeply. We did have a lot of really great times together your family and mine. I will miss you so much but I know we will see eachother again in heaven

“ The greatest memory that I have of Pat was when I traveled to Florida with Noah and Jager. He showed us such a good time!!! Noah, Jager and Jake were so small then..Pat hung out in the pool all day with the boys keeping them entertained, while Sue and I sat by the pool. At night we went to the animal show in the condo complex....the boys talked about having a trantuala on thier head for months. Good times!
