“ *Bob, I was surprised and saddened to see Paulette's Funeral notice. My wishes for you are to keep moving forward. I am so happy you both had many happy years together and were able to travel the world like you did.*

I wish I could attend services but being safe now and not wanting to transmit any covid, I cannot attend today for the funeral. Take care, my friend. Know that Paulette is in only a slightly better place now than being by your side.

“ Dearest Paulette,

The memories of our friendship span nearly fifty years. I'll never forget the weekend shopping trips to Chicago and Milwaukee, lunches, and long phone conversations filled with both laughter and tears. You always knew what to say to make things better and had a smile and grace that will serve you well with the angels above. Rest well, my dear friend.

“ *Karen and family, so sorry for your loss. I used to bowl years ago on a couples league with your mom. She was always fun to be with. So glad she and Robert were able to enjoy a good life. My prayers for all.*
