“ I hope and pray that his family will be ok. Forever in my thoughts that's for sure. A life over way too soon. Of course I won't be at the services and that sucks, but I will light a candle for him! And i'll remember his sense of humor, great smile, good friend to me and many others, best brother, and all around awesome kind of guy. Rest in peace Phil! It's your turn to feel no pain, and heal yourself in the heavens above. Watching over all your family and friends with the wings you will given, but more importantly keep your daughter and son safe from harms way. You have touched many lives in very different ways, and I'm honor to have known you and been able to call you a friend. We will think of you often, and pray for your family and kids. Rest my friend in peace! My thoughts and prayers go out to the Juras Family!
