“ She was one of a kind. I would walk in the house through the mud room and she was usually in the kitchen. She would see me and say, “sit down and I’ll get you a cup of coffee!” Wonderful woman!

“ My condolences, never easy to say goodbye. I have a lot of fond memories running around the farm when we were kids. I remember her babysitting me on 14th street when I was even younger. Rip Phyllis, prayers for you and your family

“ I will miss you dearly aunt phyllis. I know I hadn't seen you much before you got sick but I will cherish the memories that made in the last 4 months from watching the big bang theory to wheel of fortune and jeopardy. I love you and until we meet again.
