“ *Ralph was my Uncle. From the earliest I can remember he has been there for me! I remember the first time I stayed at their house in Apple Valley, MN. I don't remember my age, but I got homesick. I was 'blubbering' that first night. He came in the room a couple times. He finally said if I wanted he'd give me something to cry about! I finally fell asleep and I was fine the rest of the week. I can't count all the ways he's helped me throughout my life. He would remember my birthday & call me! We talked quite often. I always enjoyed being with him. He was always positive & thoughtful. I can't tell you just how much I will always miss him!*

Ralph was my Uncle. But, he was much more than that. He truly cared about me. We text & talked on the phone. He remembered my birthday! Ever since I was a little girl...he's always been there for me. To help in different ways. Today my heart breaks because I will miss him so much. Although, I couldn't drive out for his service...I will be watching online. But, more so...my heart will be right there with all of you! God bless all of you as you travel this new road. I love you all...Robin, Becky, Janelle, & John...and all of your families! ❤️

I was just looking up Ralph's contact information and came across his obituary. Ralph gave me my first job out of high school. He was a fabulous boss, mentor and friend. I retired about 7 years ago and had lunch with Ralph and thanked him for believing in me. I fondly remember how much he adored his family. His eyes would light up when he talked about his children and grandchildren. RIP Ralph. ❤️🙏
