“ Randy was a grade school friend, and the first boy from whom I stole my first kiss! While I didn't see much of him in his adult life, his sister, Rebecca remains a sister of my heart and a loyal friend to me. Her love and devotion to Randy is testimony enough for me that he was a good and talented man whose memory is treasured by many. Blessings to the Brown family!

“ I worked with Randy at Diamond Transportation a few years back and we formed a great working/friend relationship right away and to this day. He taught me many things in the logistics industry and that I am very grateful for. He was truly a good man and he loved and was very proud of his family. I enjoyed watching him get such a thrill out of playing with the band also. I will not be able to attend the service on Sat and that saddens me, but my thoughts and prayers are with the family and many friends that he has made along the way. He will be greatly missed by many. I know we will all keep the memories alive.
