“ *I met Gina and Jerry while working at one of their favorite diners. Gina was so proud of her kids and grandkids, she would show me pictures all of the time, she loved you all so much. When covid hit we chatted a lot through messenger, but suddenly the messages stopped and I found out she was sick. I'm sad that I didn't get to say goodbye, but I feel comfort knowing she's with her loved ones that she's missed so much all of these years. RIP Gina, you'll be missed by many*

“ I had the great pleasure of knowing Gina from Sunday dinners, special family gatherings, and leisure times. I knew her through her family, her father. It is so sad to hear of her passing so close to other family members too. You will be missed. I hope you find peace being with those your heart had broken for. I am still in shock. My condolences to all who loved and knew you. God bless.
