“ *Condolences to the family!! Didn't know Dick all that long only a year or so, but could tell he was man of his word, He told it like it was! Sorry we never got up there for his ribs and to have a drink with him, Life seemed to get in the way. So never put off things for another day, life is short. We learned that from Dick. He passed doing what he loved so live each day to it's fullest. We'll miss you Dick!*
