“ We never met you, but became “neighborhood friends” when we would drive past your house, see you outside sitting in your wheelchair, & soaking up the sun! We would exchange big smiles and waves to each other! My family sort of “adopted” you as another Dad/Grandpa in our hearts, which helped in our healing after my Dad passed away. We always looked forward to seeing you. We’re going to miss you, Mr. Bob! Rest in peace. 🕊️❤️
