“ *Miss you dad... Christina misses you more than words can describe. Please reassure her little heart that you are with her in spirit. She loves you so much and speaks of you almost everyday. I know she thinks of you everyday. We love you then, now and always. Rest in peace. You are an angel I know that. I love you, and I know you cried every time I told you how good of a dad you were. I hope now where ever you are you believe that. Even though we all have our faults, being the best you could be after mom passed to me and Christina was more than I could ever ask for. Sincerely your daughter, Jaime... Your baby. PS Thanks for sending me that song the other day. It'll forever be our song. I love you and you are the best dad in the world.*

When we were small children, we lived next door to the DeGroots in Somers. We walked to Burr Oak school each day, went ice skating together, fishing, bike riding and played all types of games in our back yards. My sisters and I were so saddened to hear of Bobby's death and we send our heart felt condolences to all of his family and friends. Most sincerely, Eileen Poole Grover
