“ *I had the privilege of knowing and working for Bob during his time with Federal Mogul in Summerton. Bob and I were golf partners for several years and I can tell you I never beat him! I use many of the lessons that I learned from Bob in the 30 years that have passed since we worked together. May God bless you Mary Lou during this time of grief.*

“ *Bill and I met Bob and Mary Lou in 1993 and have many wonderful memories of vacations with them everywhere from Maui, to Boston, to San Diego to Las Vegas and here in L.A. There are no words to fully express the sense of loss or the void that is left now that Bob is in Heaven. Here is a picture of Bob, with our now 21 year old daughter! We love you, Bob. We will meet you in Heaven.*

“ Bob and I worked together at Case Corporation and Zenith Electronics for ten years. We became very good friends during that time and had many good times working and traveling abroad. He was a no-nonsense guy, very focused and goal oriented. He believed in work while you work and play while you play. I will miss him.

May God give strength to his family.

“ I didn't know Bob well, but I grew up as one of Mary Lou's best friends in Saegertown, PA and was proud to be part of their wedding (where I learned the proper way to cut a wedding cake!) One memorable moment I recall was visiting Bob and Mary Lou in Butler with my friend Rich where I enjoyed watching he and Bob bonding over beers and bud-talk as they fell into an immediate ease with one another. Rest in peace. Bob...and Mary Lou.
