“ Grief is strange and personal. I miss my dad. I'm sad that there's no way to go back and spend more time together, or ask him more questions. He loved telling me stories and sharing memories about his experiences. When he couldn't speak anymore, he wrote me a message on his little dry erase board. It said, "I've lived a full life and I don't feel cheated. I'm grateful for what I've experienced. I'm not ready to go, but I'm not afraid." My dad always taught me to express my gratitude above anything else. I'm grateful for his example and his love. And I'm grateful for any memories and kind words that anyone has to share here. ❤️ krystal

“ Denise Gayosso sends her heartfelt sympathy to the family of Bob and to my dear sister who sincerely loves him so much. Bob was a kind,soft spoken,level headed,light hearted man with a great sense of humor. Always looked on the bright side of things. Liked his fantasy football. He will be greatly missed but remains always in our hearts.

“ *The Mauro Martinez Jr family send our most sincere condolences. I Mauro Jr recall as a small child spending the night at Bob and Candice's home. UNCLE BOB always had the funniest jokes to tell. May God bless him and watch over his soul on his new journey.*
