“ I grew up with Bob on the Spring St. Indiana Ave. days and we were real good friends. We kept in touch from time to time after we grew up. I stopped at his house about ten years ago when I was visiting family in Racine and had a long visit. So sorry to hear of his passing. Tim Kornwolf

“ Bob handed me an antique necklace just out of the blue once. He said "here this is for you". I treasured that necklace and wore it often. I remember an individual who could laugh and be happy almost all the time.

“ He was a fun uncle. When I was younger and we were able to get together for the holidays at grandma's house, one of my presents from Bob was a box full of dollar bills and Snickers bars. One of the coolest presents I ever received. Never forgot it. He was creative, unassuming, and kind to me always. Never saying anything negative or derogatory about anyone. He always called me Bradley John asking how I was, and making me laugh. He will be missed.

When I met Bob in 5th grade at Trautwein School it would create a non-ending friendship. Although many times it was years we didn't see each other....when we got together it was like no time had passed at all. I will always remember his friendship and love. He will deeply be missed.
