Please except our heartfelt sympathies at this time.
A funny story about Rodney.
Our family was visiting up at your cabin.
Us kids were quite young. I remember there being a BIG hill. Maybe leading down to water.
Rodney decided to start a run down the hill. He got to running so fast, his steps growing wider and wider apart. Yelling "CLEAR THE PATH" all the way down. All of us kids were laughing so hard, but at the same time thinking Oh! This can't end good!
But Rodney pulled it off like he'd done it 100 times before. It was a story us BULGRIN kids continue to tell over and over from time to time along with a chuckle.
I'm sure knowing Rodney there are lots of stories like this to be told.
Our prayers are with you.

“ My condolences to the Morgenson family. May peace and comfort surround you at this time. I've not had the privilege of knowing Rod but I've known his sister in law, Mary Morgenson for 53 years and if he's anything like his brother, Ken then I know he was a terrific person. <3

“ *Deepest sympathy to the whole Morgenson family. My husband and I had the pleasure of working with Rod at InSinkEerator for many years. When we would walk through the shop we would always stop and chat. He was such a nice man. I now have the pleasure of working with his daughter Casey at the Village of Mount Pleasant; small world.*

I know he suffered these last 3 years and I pray his soul is at rest.

God Bless you all.
