“ I am sad for your loss of Ron's companionship and because I didn't make time to see him one more time. As Ron's family doc for more than 20 years, it was a privilege to work with him and share stories about life. He was definitely one of the good guys and I always looked forward to seeing him. There is no doubt that he made the world a better place for the people who were lucky enough to know him!

“ *Being neighbors when Ron was young, he is remembered very well, a hard working individual, destined for a successful career. Starting building cabinets in an outbuilding on his parents farm, Ron's Custom Cabinets grew swiftly. My compassion to Juliet, Ron's family and close friends. May he rest in peace. Bud Meyer*
