“ My brother and I are close in age and as a result we were very close as kids. We did everything together. One memory that has always stayed with me, is when we got a swing set. I was 7 and Ronnie was 5 1/2. We would get up early to swing and sing "Davy Crockett" (it was the early 50's after all). We would do this for hours. Together we "picked" cherries, apples and collected bugs. The last time I was in Racine, I brought up some of these memories and he remembered them as fondly as I did. I moved to Az many years ago, so we didn't talk as much as we should have, but our dogs exchanged Xmas presents, what more can I say. Ronnie I love you and will miss you and all the memories we shared.

*Mary and Warren: We were classmates in the Class of 1964 and were in the same home room at Horlick HS. Ron's class of 1965 was so huge it was hard to know all of them. My sympathies at the loss of your cherished brother. He would have had his 60th reunion this year like we of the Class of 1964 had ours last summer. Best wishes to you and Warren.*
