“ Hello Penny. We have only met once. You were with Ron at the old timers party. Actually the last one they had. I met Ron many many year ago when he came to Waukesha as a machinist. Later on in both our careers we worked together at power systems. Ron always talked about his cabin up in Pembine. He really must have enjoyed being there. Also he really enjoyed fishing a lot. I would see his pictures of his catches. I have never been lucky enough to get to catch fish like that. But it is odd that today a copy of the Waukesha Freeman was put inside our mailbox. We don't subscribe to any papers. And the Freeman maybe mails out a few copies a year for free. So what were the odds that i'm sitting in my kitchen and I turn the page and there is Ron's picture? I did pass this on to our former coworker Todd. Penny I am sorry for your loss. Ron was a good person and a good family man. Rest in peace Ron.
