“ I met Rick in 1980, we even dated for a while. I would run into him often but really reconnected with him in 2004 when I started to ride Harleys. He helped me learn to ride in the church parking lot by his house. We then went on numerous bike trips together over the following 8 years. I will miss him very much. Love and prayers to his family and many friends.

Rick was part of our lives since age 15. We all grew up together and had many wonderful adventures throughout the years. Our kids loved him! He was our oldest son's Godfather and Jeffrey adored him. Now they will see each other again in Heaven. We love you Rick and will miss you so much! Jeff, Jackie and Jaime.

“*Rick was one of the nicest people I know...always reaching out to say hi and ask if he could lend a hand. I knew him through the HOG chapter and know he was highly respected by others in the group. I pray he is at peace...*
