“ *Bill and I were so sad to hear of Ruth's passing. The tribute video was a beautiful remembrance of her very full life - her flowers, her fishing, her cats - and the amazing family she leaves behind. She was so gracious and so much the heart of the Mainland family, always with a smile on her face. Our love and prayers to Don, Jeff, Sean and everyone in the "Kolar" family at this sad time.*

“ Such a wonderful woman, who adopted me as their Redheaded kid. Known family since I was a little girl and went to school with Mary. Through the years she loved her gardening and kept the flowers/shrubs up at our workplace. But she never left without a hello or goodbye hug. Her smile, her laughter and the kindness she shared will be a memory that will stay in my heart forever. One fantastic lady who will be truly missed by all. God speed Mom and enjoy the biggest garden in the heavens. You will be one busy gardener. ❤️❤️❤️❤️

“ *My Sincere Sympathies to the whole family. Ruth was so kind, always welcoming and easy to talk with. She and Don were so supportive of our 4-H photography group to come and photo their beautiful gardens. We had our family photo's taken in the gardens which were beautiful. Such a Loving person. I will miss her so much. Sending our Prayers, Love and Hugs. RIP Beautiful Lady .*
