Ryan Nicholas Clark

New Berlin - Ryan Nicholas Clark, 33 of New Berlin, formerly of Kenosha passed away at his residence on Saturday, November 16, 2019. Addiction took hold of Ryan early in his life and refused to let go, despite his efforts to break free.

He was born in Milwaukee on June 26, 1986, the son of Rob and Mary Jo (nee: Sturino) Clark. Ryan was a 2004 graduate of Tremper High School. He played volleyball and soccer, sang in the choir, and participated in the Madrigals. He was also very active in the Theatre Arts program from Bradford High School.

Ryan was a performer with the Doo-Wop Daddies for more than nine years. He loved performing in all musical forms. He especially loved Doo-Wop music, as well as the Musical Theatre genre. He was very happy to have had the opportunity to perform with the Racine Theatre Guild, and was very fortunate to have performed with the Kids from Wisconsin for two seasons as well.

He is survived by his parents, Rob and Mary Jo Clark, sister and brother-in-law, Rachel (Jon) Novak and three nephews, Franklin, Donovan and Brendan. He is also survived by the light of his life, his three year old daughter, Raelynn Jo Clark. Ryan is further survived by other relatives and many friends.

He is preceded in death by his brother, Brendan Michael Clark, his grandparents, Jay and Amanda Rasmussen and Sam and Helen "Boots" Sturino. He was also preceded by his uncle Jay Rasmussen, Jr.

There will be a time for family and friends to meet at Sturino Funeral Home on Friday, November 22, 2019 from 3 p.m.to 7 p.m. Ryan will be laid to rest in a private ceremony.

In lieu of flowers, those who wish to remember Ryan in a special way may direct memorials for his daughter, Raelynn. Please forward those memorials to Rob and Mary Jo Clark.

If you have someone you love who is battling addiction, please help them find the help they need.

“ *Robbie, MaryJo, and Rachael,
There are no words that can heal your heart
and pain that you all are going through. Know
that he is living the best life now. God put him
here on earth for these years to bless all of us
with his voice and talent. He got that from two caring and loving
parents. Love you all very much, I pray for you today and in the
future .

“ Dear Clark Family,
We were so saddened to hear of Ryan’s death. Our prayers will be with you as you navigate this difficult time. It is my sincere hope that somewhere there is a recording so Raelynn can here these words in Ryan’s beautiful voice.

“i’m already there

Take a look around

I’m the sunshine in your hair

I’m the shadow on the ground

I’m the whisper in the wind

I’m your imaginary friend

And I know I’m in your prayers

Oh, I’m already there.”

Praying you feel God’s presence on this difficult journey.

Sincerely,

“ From "The King and I" to "Bat Boy: The Musical" and countless shows in between, it was an absolute honor to share the stage with Ryan for so many years. I will always remember his bubbly personality and his eyes that could light up a room, and a voice that could make anyone swoon. My heart is so heavy for the rest of his family, who I also knew well through the theater, especially Rob who was my vocal director for a few St. Joe's musicals. My heart is with all of you during this difficult time. I know that his memory and his song will live on forever in all of our hearts.

“ Sending my condolences to Ryan’s daughter and his family. I met Ryan in high school, we had our home room together for 4 years, and always had a close friendship since the day we met. He lit up the room and always kept us laughing. Ryan was also my homecoming court partner in 2004. “Vote for Ryguy and Ness, We’re simply the best”. I still have our homecoming shirt :) . Although we lost touch after high school we remained in touch through social media. We would reach out to one another every now and then to see how the other was doing. He was such a sweet person and I had no idea what he was battling. This is heartbreaking. I found a few pictures from our high school days.

“ I remember when I was in middle school and was the stage manager for Ryan’s dads play, Godspell jr, that Ryan and I were in charge of all the lighting and sound. It was the first year I decided not to be a cast member and still wanted to be involved in one of Washington’s plays. Ryan and I always had so much fun, laughs and inside jokes while putting on that production and as a middle schooler, I really looked up to him. It’s heartbreaking to know he’s gone. And even though it’s been years since we had seen each other or talked, I always had the highest respect for Ryan. He is missed greatly

“ Ryan always pushed me to go out of my comfort zone when we were in choir. Always telling me I could take on the world with my voice and would never let up until I finally went for that solo I so wanted. His memory will always live on with those of us who sang with him. You were loved Ryan, just know that ❤️ Christina Culver
