“ *Had a dream about Sally the other night. We had been very good friends at A&E. Worked together 18 years. She was a lot of fun to be with. I left work and moved and we lost touch, but that dream was so real I had to look her up. Sorry to hear of her passing.*

“ Chuck,
I am so very sorry for your loss. I know these recent weeks have been tough for you and Sally's family, but I admired Sally's courageous decision. Though I did not know her well, I shall always remember her smile and her quiet grace. She was so kind to my parents and Dennis and me. I'm thinking of you and wishing you comfort and happy memories.
