“ *Sally's optimism and determination that she would beat the cancer made me hopeful. Given more time I believe she would have won. She was a true and loyal friend and I have lost her far too soon.*

“ *To Sally's Family, A brilliant mind and a compassionate soul. Sally was a good friend for sixty years. We didn't see each other for spans at a time but when we did it was like the years had never passed. I'm going to miss her something awful. (Job 14:14)*
