“Sandy brought so much laughter and fun to our family. I was lucky to have her as my grandma these last 10 years. What I wouldn't do to have 10 more... She is so loved and so beyond missed. One of my favorite memories of her is getting to play family games together at my moms house. Sandy was always the one to get us all laughing so hard that we couldn't feel our faces. Those moments with her will always make me smile and I am so thankful to have made so many great memories with her.
