“ Sara and I were in girl scouts together for a number of years. We also walked to school together when we attended Park High. I have a LOT of great memories from my childhood with Sara and her mom. My heart breaks for her boys and her family. I hope she is finally painfree and in peace. Love you Sara.

“ Sara was my Spanish student and she was a delight. We had a connection. We liked each other. She taught me so much. Then recently I was brought back into her life, and my soul soared to see her. She told me about the love for her children, the absolutely unconditional love she had for them. I feel privileged to have known her. Sara's body has passed but she is still her surrounding us with her love for all things.
