“ Condolences to Mike and all Sheila's family from her cousin Larry in Florida. Enclosing a photo of Melander/Siebrands clan taken at my parent's house in Racine in September 1963. Another I believe is of Sheila, myself, and Marsha around Easter of 1959. Also attached are two pictures taken when Carol and I visited Sheila and Mike back in 1977 while I was home on leave from the Navy.

“ My mother was a great woman. She was resilient and strong and brought our family through some really tough times through out the years. Her passing was so sudden and I feel like I didn't get to say good bye. I know that she is resting now though and there is no longer any suffering for her to endure. She will be missed every minute of every day and I will think of her always. All that I am and all that I do, I will think of you mom. You were my ride or die and you still will be until I take my last breath....love you mom
