“ *I was fortunate enough to have made acquaintances with Shelley as my favorite cashier at Pick and Save. I would always look for her and go to her line because she always had a kind word and a warm smile. My deepest sympathies go out to Shelley's family.*

“ Shelly and I were very close friends through out junior high and high school (as it was called in those days). I cherished her friendship and will miss her terribly. We had a lot of fun at the school dances just laughing, talking and dancing to the "70"s music. Shelley, I thank God for bringing you into my life. You will always be in my heart. Thank you for being a wonderful friend. Dennis, Nick, and Shawn, I am very sorry for your loss. You are in my thoughts and prayers. Jean M Nelson (Barth) Racine WI.

“ Shelley was such a lovely person, so active and vibrant, which makes it even harder to comprehend her death. My son and I had spent wonderful afternoons together with Shelley and Dennis for the past few years, fixing things, watching her favorite Packers, enjoying her deliciously prepared meals, and fun conversations. I'm so glad now that we had that time with her. She will be greatly missed by all her friends and Family. May the Lord keep Dennis and family strong during this very hard trying time.

“ Although I only knew Shelley as my favorite cashier at Pick n Save and not on a more personal level, her absence will be deeply felt. She was always so friendly and loved her family very much as she and I talked about her children often. I willingly stood in a much longer line just to be able to talk to her and share a laugh. My thoughts are with her family, may your memories bring a smile to your heart.

I echo the comments by Heather. I too waited in Shelley's line just so I could enjoy her friendly personality. She will truly be missed by many customers. I would like to send my sincere condolences to her husband, sons and grandchildren.
