

## Shirley Fraser

September 17, 1925 - October 21, 2010

RACINE - M. Shirley Fraser, 85, left our world on Thursday, October 21, 2010 at Becker Shoop Center after battling a brain tumor. Shirley was born in Bigger Saskatchewan, Canada, the daughter of William and Sadie Fraser, on September 17, 1925, becoming an American citizen on June 22, 1960.

Shirley was a longtime chemistry professor at the Wisconsin Extension in Racine and at the University of Wisconsin-Parkside until her retirement. She received her PhD in chemistry at Louisiana State University in Baton Rouge. Besides her teaching, Shirley enjoyed golf at Quit Qui Oc near her summer cottage on Crystal Lake, Wisconsin. Shirley also enjoyed duplicate bridge in Racine and attending the opera in Milwaukee and Chicago with her dear friend Grace Piskula.

She will be dearly missed by her family in Victoria BC in Canada, Crawford, New Jersey and the Piskula family of Wisconsin who will always remember her as 'Aunt Shirley'.

There will be a remembrance gathering honoring Shirley's life at a later date.

Shirley's family and friends would like to thank The Becker Shoop Center, Wheaton Franciscan Health Care and Hospice Alliance for the wonderful care

and compassion she received

.
