“ Steve was the best cousin. He was always laughing, smiling & making everyone else laugh too! His smile was contagious. He gave the best & tightest hugs that let you know how much he loved you. I have so many great memories from growing up together, as teenagers trying to be cool & as adults as our families grew. We loved listening to music & rapping Nelly songs together. I could go on forever with amazing memories. We love you so much Cousin Steve, rest peacefully❤️
