“ *Suzanne was one of God's very special people! She will be missed by so many of us. Whenever I change the outfits on my goose I will always smile and think of her insisting that my goose needed them so she wouldn't be cold. Mary M*

“ Suzy was my Dad's (Micheal Olson), cousin; but she was Aunt Suzy to me and my sister Cindy Fruth. She and my Dad walked Cindy down the aisle at her wedding. Every Easter, Suzy took us to a special Chocolate shop so we could pick out a special chocolate egg! Suzy was a wonderful, caring, hardworking, and super creative woman! We loved to visit her and play with all her fur children! Especially "Lumpy". I will keep her memory alive in my heart FOREVER❤️
