*SO sorry for your loss. Tammi was a childhood friend. Lots of good memories of those early years. Was sad to hear the news from my brother who intended to pay respects on behalf of our family, but he got called away because my dad was taken to the ER. (He's o.k.)*

“ Literally *JUST* read this! I am *SO* sorry for your family! I am Annie Dexters granddaughter & we used to go to The First Reformed Church on Summit, w/the Laytons & "lil" Annie! Tammi & i were close, but have lost touch over the years! I moved back to Racine, 10 years ago & had stopped by to chat w/your Mom a few years back. Clarence & the Laytons & Dexters were distant relatives. My deepest sympathies to all of you! I am shocked. I have a pic from Amy slumber party that I will post as soon as I can get it to upload! Gods Blessings to you all!

“ Dear Mr. Wilson,

*My health prevents me from attending services for Tammi, but I hope this reaches you. I was the supervisor in the Racine Unified Department of Pupil Personnel when Tammi worked there. She was my secretary. She was always positive, professional and well organized. I enjoyed interacting with her on a daily basis.*

*In a sense I share your loss because I worked with Tammi on a daily basis for a number of years. Please accept my condolences and Know I shall keep her and your family in my prayers.*

*Sincerely,

“ *Aunt Tammi,  
I was thinking last night about what to say and a few things came to me right away. First, was your big heart so full of love and caring for everyone. Second, was your laugh and your great sense of humor. Your laugh was contagious and could get a whole room laughing. I also remember the birthday gifts you used to give. Instead of a toy you would take us somewhere special like the circus. I still remember those special times. I will miss you.*
