“ Your probably getting sick of me but I always remember when it was her birthday and Christmas and Bill and I would go down. She always wanted Kentucky fried chicken and that is what she got. Also remember one new years eve when she still had her own apartment and we rented a motel room and celebrated with her. What fun we had and what a night to remember. I wish I had more pictures, but they are in my storage room yet. We had a lot of great times with Nora Scott also when we all lived at brookside apartment in sparta. Luv u all and Bill says you have his sympathy, but he is still in rehab center recovering from new left hip. Or we would be there wed.he feels bad cause I can't get there.

“ Terri and I had some great times together. Allot Of weekend road trips where we stayed in motels and allot of day trips when she lived in Sparta, Wisconsin, which is where we met when we were both going through some very tough times. No one will ever understand what Terri and I went through, but we were always there for each other right up to the end of her life. I dont know how I will go on without her.because of her I met and spent some wonderful times with her family that I will never forget. I love you all very much and appreciate you always trying to keep Terri and I connected, love Jean Roedl 212 seippel Blvd apt 104 beaverdam, Wisconsin 53916.I don't know if I'll make it to the visitation or service as I haven't found I way there yet. “ I have so many great moments with Terri, we spent allot of time on road trips with my vehicle and on the train. Many weekend motel get aways. We were always there for each other whether on the phone or in person. We went through allot of hard times together which no one else would ever understand and that is what got us to be such great true friends for life. Because of her I got to spend allot of time with her family and I luv them all dearly. My life will never be the same without Terri and I know yours won't either. I loved her so very much and I just wish I had something of hers to remember her by. I don't know if I'll be able to make it Wednesday as I have not found anyone yet that can take me. It will be a very hard day for me if I cant get there, but they are very hard now too. I hope you will all understand. I luv and miss her so much and I just don't know what I'm going to do not being able to talk to her. Luv u all, Jean roedl
