“ *Dear Sara, Amanda and Katie,*

*Our deepest sympathy to all of you on the passing of your husband
and father. We loved Tom and shared in his growing up and having
all of you as his family. He was a gentle, loving man. I can even
chuckle as I look at his picture, one was never quite sure what he
was thinking as he strolled from the garage to the house or to the
sidewalk. He even played Santa for our children when they were
young. It was great because he knew everyone's name and he was
the perfect Santa..*

*If there is anything we can do for you, please do not hesitate to ask.
We send our love and prayers.*
