I was shocked to know you died Tina. You always brought my spirits up when I came to Piggly wiggly. The loss of my husband was hard but you always had such nice things to say about him to me. I will truly miss you .

“ Yesterday was such a sad time though through the stories you all told of Tina, I now feel I know her better. She definitely will be missed by all that knew her. I will never be able to go to Piggly Wiggly again on Spring Street without thinking of her. If she was working, I always checked out with her. Time will heal the pain, but missing her will last forever. Many prayers and hugs from my family to yours.

“ *Such a devastating loss of such a beautiful and kind person. I knew her growing up from school and thru mutual friends etc. I always enjoyed catching up with her while shopping at the Pig. Sadly it won't ever be the same experience now that she's gone. My heart and prayers go out to her family and loved ones.*

“ *To the family of Tina,
I wish to extend my condolences to you during this time. Tina was one of the checkers who worked at the Pig and served me as a customer for over twenty years. She was so friendly each time I was there. She was thorough in her job and served the Pig customer well. I always chose "her lane" when I frequented the store because of her welcoming smile and conversation as she moved the groceries to be priced and sacked . I am sorry for your loss, but know that all those who shopped at the Pig were touched by her presence. Sincerely, Patti Walker*
