“ Thinking of you. It's been a long journey already. I can't believe that you truly are gone from us. It's the hardest thing I ever have had to go through. While I sit here writing this tears fall down my face. I just wish you were here to see Kamara & Kalanah grow day by day, but I know you're watching down on them. Kamara asks about you all the time & sleeps with your blanket from Froedert every night. We miss you Dad. You were taken from us way to soon. I guess no matter what I say or how many tears I shed will never bring you back, but I know you're in Heaven resting peacefully without a single worry. Me & Cait are definitely watching over your "Princess" for you. :] You would be so happy to see how spoiled Luger is now. He doesn't even wanna eat his dog food anymore so Mom spoils him with hamburgers! I can just hear you saying "Luger, eat that damn food!" Oooh Dad, I could go on days & days with the memories you have left behind, but the best part of it all is those memories can NEVER be erased or taken away from any of us. Keep watching down on your 5 girls & Luger. WE LOVE YOU SOOO MUCH!<3

“ Dad,
I don't know what to say...I'm at a loss for words. Why you? Why so soon? I never in my life expected myself to be going through such hurt in my life. The tears continue to fall down my face while I think of all the good memories I have shared with you. I know you would hate to look down & see me so sad over the loss of you, but deep down I don't think I can ever go on. This sucks. I just want you back FOREVER. Tomorrow is gonna be the worst day of my life...I can never say my final goodbye to you. It will always be a I'll see you later Daddy. These last couple of days you must have been shining down on us because the weather has been warm just what you were waiting for. I promise to continue to make you proud & raise Kamara & Kalanah into special young ladies. They will never forget their "Papa" even if you're resting peacefully in Heaven. You are now their Angel sent from above. Please watch over us Dad. ...Until we meet again. I Love You Sooo Much. -Brit<3

“ *I grew up with Todd. I always enjoyed when we would ride our mini bikes on the trails near our neighborhood. Todd was quick to laugh and I remember he was a Aerosmith fan and would always give me a hard time because I was a KISS fan. We had many good natured arguments about who was better. He was way too young to go and while I had not spoken with Todd in many years, I will always remember him fondly. R.I.P.*

“ *So many memories where Todd is concerned. But my greatest memory of him is when he took me mini bike riding in the field near his home. I rode on the back with him because I was too afraid to ride on my own. (Which he thought was funny) But what a fun time we had. I also met him through Kim, when she was dating my brother Jerry. Kim and I went on to be good friends, in fact Kim, I have a picture of us down at north beach wearing "Daisy Duke" shorts with the greatest suntan I have ever had. Todd was quite the character, I just remember him always laughing. It's been such a long time since I have seen him, and I am filled with sadness for him and his entire family. Just taken too soon. You will all be in my thoughts and prayers. Todd will be with you all every moment of every day. All my love to you ~ Jacki Ricchio Phillips*

“ I remember Todd as being such a funny and great friend! Always had time for everyone and everything! Todd and I had a special bond, I guess from the time my brother Jerry started dating his sister Kim. That's how we met, and made a lot of new friends from there on.

He was the first to have a car in Junior High School, I remember him driving up to the school and gunning it! Haha! Of course he got yelled at for it but it was too funny!!! He laughed also :) ! I also remember playing spin the bottle with a couple of other boys and girls with him in some kind of fort the guys made! Well guess what? Me and Todd kissed for the first time! That was a several years before Junior high but it's a memory that will stay with me forever! He was a real gentleman too oh and a GREAT kisser I must say!! Lol... I will miss him always!! <3 Thank you Todd for being such a great friend and the beautiful memories you left me with to treasure!! You are a true Angel now and always! Please pray for us down here Todd! Your family will need you just as much as all your friends who miss you!! I love you Todd <3
