“ Toni, I will miss all your FB posts, you were the one who posted most of the family get togethers. I smiled every time you posted happy whatever holiday it was to my people. I look back now and was so happy we got to visit with one another on Monument square, my last visit in Racine with you last July. I have to mention my one most cherished visit was way back in the days when you lived up stairs and I was having coffee with Grandma Lupe and awhile later here you come downstairs with your cowboy boots on and you had them on the wrong foot. You were so cute, Grandma Lupe's eyes lit up and had the biggest smile, she lifted you up and gave you a big kiss. You made our day!! I will hold this memory of you forever in my heart. I pray for your family to find the strength and comfort for you are now one of heaven's angels. Rest in peace, my dear niece.
Love you, Aunt Mary

Mary, I remember those boots, Toni loved to go downstairs and have coffee with Grandma Lupe. I wish you would have told Toni you wanted to go to Vegas with them, she would have loved it, she loved spending time with her aunts. Thanks for the memory! Tammy

“ Toni was, without a doubt, one of the most positive and funny friends that I have ever known. I worked with her at NGN and she took care of both of my daughters. She cared so deeply about each child that she came in contact with, and always made me smile even when the days were stressful. Heaven has gained a wonderful angel and I know that Toni and all of the kids that are there are having a dance party everyday. Please know that her beautiful light has not gone out; it has been temporarily transferred until we meet again. Hold her memory close and live like she would want you to; smiling, dancing, going to concerts and trying to make a positive difference everyday in somebody's life. Prayers for healing and strength-Love, Karen, Anna and Abigail Bayer
