

Tracy J. Sawasky

September 14, 1969 - July 26, 2025

Tracy Jean Sawasky, beloved mother, wife, sister, and friend, passed away peacefully and joined her son Collin Jay Sawasky in heaven on July 26th, 2025 at the age of 55.

Tracy was most known by all for her unconditional love, strength, kindness, generosity, wit, and she touched the lives of all who knew her. As a devoted mother, she brought love, patience, guidance, and warmth to her family in ways that words can't fully express.

She will be profoundly missed by her husband, Jay Thomas Sawasky; sisters, Lisa, Lori, and Amy; nieces and nephews, many dear friends, and her fur babies Bond and Rio.

Tracy goes on to be reunited with her son, Collin Jay Sawasky.

Tracy had a passion for spending time with the ones she loved, nature, gardening, cooking, hunting, fishing, boating, traveling, ATVing, snowmobiling, driving sports cars, and spoiling her dogs. She will be remembered for her unconditional love and her ability to overcome all hardships with her head held high and a smile on her face. Her strength and resiliency will always be remembered and admired.

“ *My son-in-law, Ismael Trevino has told me so much about Tracy and her big heart and her great kindness. He considered her a second mother and he's taking her loss hard. I'm so very sorry to hear of her passing! Looking at these photos, you can tell she loved her life with you, Jay. You've been in my prayers constantly since I got the news in the middle of the night when she passed. I will continue to pray for strength, comfort and peace for the weeks and months to come, because grief doesn't end after the funeral. Please know you're in the prayers and hearts of those who love you and many others. God be with you.*

“ *I am so terribly saddened and am remembering all who loved Tracey in prayer. I of course remember her beautifully strong spirit, but her attention to detail and integrity behind the scenes is powerful as well. She impressed me every day I worked with her. ALWAYS striving for the best for patients. I feel heavy with the loss of such a beautiful person.*

“ *In Loving Memory of Tracy Sawasky*

A donation has been made to Feed My People in honor of Tracy— whose kindness, warmth, and generosity touched the lives of so many.

May this gift carry forward her spirit of compassion and reflect, in some small way, the love she so freely gave to all of us and so many others.

She will be missed more than words can say, but we find some comfort in knowing she is now reunited with Collin.

*With heartfelt sympathy and love.
