“ *Bill had a great sense of humor so when he married my cousin Valerie I played a little trick on him. I had made their wedding cake and he asked for marble cake. When we served him his piece it came with real marbles on top. He had a good laugh picked off the marbles and ate up the cake. He will be greatly missed. His belief in the saving Grace of Jesus was certain and I believe he is there now with no more pain. My prayer for the family is that God will fill the empty place in your heart and that you will continue to give the love to others as Bill has done these past years. Love to you all.*

“ *To the Knecht family, my condolences on the loss of Bill. He leaves a big void in the heart of all of those of us who knew him and shared a lot of good times with him. Bill was a good friend and a very generous guy. We used to go out a lot to eat after the church service on Sundays. And on many of those occasions Bill had brought people to the church service and then would treat them to a meal in a restaurant afterwards. We are going to miss him a lot. And it is with great sadness that we have to say good bye. But we also must rejoice that he went to a better place.*

“ *I grew up visiting my cousin Billie at the Knecht farm as a kid. We were about the same age. Billie just made life better. Billie was cute, and would play jokes on me. He always made things exciting and a lot of fun. I am shocked and deeply saddened that he is gone.*
