“ *I am so sorry to hear about Willy. I remember him from North Park, when I was his art teacher. Whenever I saw him in class, in the hall, at recess or lunch, he was smiling and laughing. He always seemed to be having fun with his friends and always wanting to help others. Know that I am saying prayers for all of you. Julie Trafton, Retired Art Teacher from North Park*

“ Willy, Willy was the kid to have fun with, on a rainy day sunny day even of snowy day. Willy was that kid that would go knock on friends doors and bring them out to play snow fight. William was the fist kid that my son's had a sleepover with. Our deepest condolences to the family 🙏
Willy will be missed.

“ Bill, Becky and family,

I am so sorry to hear about Willy. I have some good memories watching him and Parker play basketball. You are all in my thoughts and prayers. Please reach out if I can help in any way, I mean that. I am lighting a yellow candle, because yellow reminds me of Willy, young, friendly, full of sunshine and cheerful-that will always be him in my memories.
